Dear Mr. Toronto:

RE: ML 46471 IS; S/053/041

The division has determined that an archaeological survey will be required prior to the commencement of any excavations pursuant to the mining notification received by this office on March 19, 1994.

I am enclosing a list of qualified archaeological consultants whom may perform this work. The survey must be contracted at Lessees own expense and a copy of the completed survey must be submitted to the division for review.

Please contact me if you have any questions in this matter.

Sincerely,

JOHN T. BLAKE
MINERAL RESOURCES SPECIALIST
